

The Bible Story in 90 Days

Reading Plan

The Basic Plan

Follow the reading schedule below to read the Bible story in 90 days. As you go along, mark which videos you have watched and which readings you have read. Videos will be posted to our parish website, www.stanne wichita.org, or you may subscribe to our youtube channel, St. Anne Broadcasting, to have them automatically sent to you.

More Involved

As you read, submit questions via Flocknote. Fr. David will attempt to answer your questions in the next video. Submit questions by Tuesday night to be included in the weekly video.

Going Deeper

Many people are in the habit of spending time each day meditating on Scripture and may want to coordinate that with what they are reading here. Some of the readings lend themselves to meditation, and some do not. For each day, we have suggested a passage for your prayer. It may be a part of the reading or another passage that refers to the days reading or addresses the same theme.

We make this journey together. Pray for one another.
